

***Draft of ABRWH Member
Conflict of Interest Disclosure Statement***

The Advisory Board on Radiation and Worker Health (the Board) is very concerned with maintaining the transparency of the compensation program created by the Energy Employees Occupational Illness Compensation Program Act of 2000. In an effort to foster a fully open and honest environment for claimants and in order to allay any concerns within the stakeholder community regarding perceived or actual conflicts of interest for Board members, the Board releases the following information:

Board Member's Name and Position: **Wanda I. Munn, M.B.A.**
Senior Nuclear Engineer (Retired)
Richland, Washington

Biographical Information: Ms. Munn is a retired Senior Nuclear Engineer from the Advanced Reactor Development Division of Westinghouse Hanford Company in Richland, Washington. She has 20 years of experience in nuclear engineering disciplines, design, construction, acceptance testing, startup, and operation of the Fast Flux Test Facility. In addition, she also has a Council Member in Richland, Washington. Ms. Munn was also inducted into the Oregon State University's Engineering Hall of Fame in 1999.

Waiver: Ms. Munn has been provided a waiver under 18 U.S.C. § 208(b)(3), permitting her to participate in the deliberations and recommendations of the Board, because the need for her services outweighs the potential for conflict of interest. This waiver is expressly limited as described below, and will not allow participation relating to specific matters in which she has a financial or imputed financial interest. In addition Ms. Munn will remain subject to the disqualification requirements imposed by 5 C.F.R. § 2635.502 with respect to specific party matters.

Year Waiver Issued: 2005
